## **Trem y Glyn in the heart of the community**

Our home is perfectly situated in the small town of Glynneath in the Neath Valley.

Since opening in the 1970s, we have established an excellent reputation as being a quality and valued care provider where the needs of the residents are at the centre of all that we do.

We have excellent links with local community groups e.g. allotment society, local schools and churches.

Residents often use the local bus service which is on a direct route to Neath, Swansea and Aberdare.

The local amenities such as shops, hairdressers, cafes and pubs are all within easy walking distance.

*“Staff are  
marvellous,  
they’re more  
like friends to  
me”*

## Compassionate personalised care

We understand that everyone is unique. The care delivered is tailored to meet the individual needs and wishes of each resident who comes to live in Trem Y Glyn.

Our staff are highly trained and understand the importance of enabling people to keep control of their lives. They do this by offering support and encouragement to maintain independence as far as is possible.

Our friendly team includes Welsh speakers.

As a well-established local service, we have an excellent relationship with the local GP who regularly visits the home.

*“I know I’m  
going to be  
happy here”*
